

# PRODUCT SAMPLING JUST GOT EASIER!

## INTRODUCING THE SAMPLE PROBE™ BY WILKEY INDUSTRIES

The Sample Probe™ by Wilkey Industries, is designed to take representative samples of almonds and walnuts, stored in 4 x 4 x 4 wood bins, for FDA and USDA quality testing.

Sampling sizes offered:

- 2.25" dia. standard model – used for almond meat sampling
- 3" dia. heavy duty model – used for hull pile sampling
- 3" dia. standard model – used for in-shell almond & walnut sampling
